UPDATE FROM CLUBHOUSE MANAGER

SPOTLIGHT: GOLF SHOE

TURF TIPS: PIPE BURST RECOVERY

From the General Manager

MARK REID

Congratulations to all of the Flight Winners in this year's MGA Summer Classic. Although mother nature threw some curve balls during the Classic, the players marched on. We were able to have three days of very exciting golf. Kudos to Dwayne Saucier for putting together another successful event and thanks to all our staff for making events like these possible.

As you notice the caution tape on the east door and entry deck of the Clubhouse, please know that the deck had significant wood rot and I took it out of service. We are working with our Architect to try to eliminate this door and go to a full wall of glass. If this becomes possible, we will remove the deck and stairs and it will be very beneficial to our plans for some form of upper deck space expansion. Enjoy this beautiful Summer.

From the Golf Committee

Thanks to a few weeks with consistent rain plus the skills, effort of Superintendent Steve and his crew, Lakewood Oaks is in as good a shape as it's been in years. An abundance of GREEN, and pure-rolling putting surfaces with hardly a blemish. A great venue to host friends and family as we play through the thick of tournament season. Let's talk about some improvements along the course...

June is now in the rear view mirror and as we move into July all of our associations and staff are hitting full stride. With a consistent (although hot) weather pattern setting up for the month of July we should have the opportunity for a lot of casual and competitive golf. If you are interested in participating in any of the competitions or simply looking for a group to play golf with, please contact the golf shop.

Since we are in the heat of the summer, we have shifted the first tee time to 7:00 AM on the weekdays and weekends. This allows us to get plenty of groups out on the golf course early to beat the heat while still allowing the maintenance staff enough time to care for the golf course. In the evening, the golf shop will still close at 7:00 PM with the golf course and practice facilities closing at dusk. It won't be long until we are into the "Championship Month" of August. You will see more and more sign-up options on Golf Genius for our August events. Hopefully July will allow for plenty of practice time as well as on course time, so that everyone has their game sharp for those upcoming Championships.

As always if you have any comment, concern, or suggestion please stop in the golf shop. We look forward to seeing everyone on the course soon and often.

Returning to Excellence

Junior Golfers are scheduled to be on the golf course from approximately 1:00 PM – 3:30 PM every Tuesday June 15th – August 17th. Please keep in mind that the juniors are typically walking and take a little more time on the golf course, so please be patient during that timeframe.

The Latest From the Clubhouse Manager

FRANK CASCONE, CLUBHOUSE MANAGER

Hey folks! When you come around the Country Club, you may start to notice one of our newest improvements: switching from glass bottles to aluminum cans. We thought that there was nothing better than sippin' out of a cold bottle on a hot day, but there actually is! Here are a few reasons why switching from bottles to cans will benefit the club members and the club staff:

1. Bottles take up three times the space and two times longer to chill than cans. Switching to cans means no more running out of refreshing ice-cold beer (a recent problem)!
2. More storage and slimmer spending means more beer! The funds we save by eliminating the (pun intended) bottleneck will allow us to improve your experience.
3. Throughout the U.S., bottles are rarely allowed on courses due to potential danger to members and the environment. We are joining this safe and ecofriendly movement!

Thanks for being committed to helping us raise the standard that our club honors and work towards setting the bar for our industry.

Wine of the Month

CARL GRAFF

Harvested from Calmont vineyard, the steepest recorded vineyard in the world, this Riesling is the definition of a modern-made traditional-tasting wine. Because it's aged with grapes at the prime of their season, Carl Graff's Mosel Riesling was born with notes of the ever-so bittersweet yellow and green apples. We are pleased to introduce you to one of the most popular wines in the region during this sizzling month of July.

STEVE GRIESINGER,
GOLF COURSE SUPERINTENDENT

ANNOUNCEMENT

We had an irrigation pipe break on hole #15. The effect was an incredible amount of runaway mud flooding the green. By the end of the day, my team had contained and repaired the problem, returning the green to its previous state. Since then, the course has dried sufficiently and we were able to re-mediate the greens surrounding the original pipe break.

It's so good to get back to normal (or close to it) as we continue with the golf season. So many things were canceled last year or altered to fit the Covid requirements. One of those events was the much anticipated Le Fleur Golf Tournament held in September. It was shortened to a one-day tournament and we had a great time but this year it's back to our normal three-day event. While the Women's Golf Association makes sure the event is planned out, it is open to all women Lakewood Golf Members.

This year the dates are September 9-11 and registration is limited to the first 30 teams with payment and form received by August 1. There's a horse race and social on Thursday then a two-day flighted golf tournament on Friday and Saturday with a late lunch and awards. This is a member/guest event where one or two Lakewood members invite women golfers to make up a foursome. Registration forms are in the ladies' locker room by the bulletin board. Come join in the fun and get to know some new golfing buddies!

One other note...sponsorships are an integral part of making the Le Fleur a successful event. By becoming a sponsor, your business name will be seen by over a 100 area women throughout the three-day tournament – women who are decision makers, consumers, and community leaders.

For more information on registration or sponsorships, contact Sheri Rehmer (sherirehmer@gmail.com) or Paula Austin (paula4golf@gmail.com).
