From the General Manager

MARK REID

It's official. We have signed the contracts with Viridity LLC (the contractor) and CE Golf Design (the architect) for the installation of new Better Billy Bunker sand traps. This \$550,000 project has now begun, and the contractor is mobilizing equipment and storing materials in the Northwest parking lot.

Obviously outdoor projects are weather dependent. However, we are confident that we can complete this project no later than June 15, 2022. I want to thank the Board of Directors for approving this important project which will greatly enhance a key part of the game. We are pleased that we will be able to do this project without adding any debt to the club.

We have provided the Architects drawings of the current work in progress towards our five-year Master Plan. The sand traps will be installed per the size and locations shown on the drawing. We will also be fixing some drainage problems on No. 1, No. 6 and No. 15. Regarding No. 15, we accepted an alternate price to shorten the fairway, regrade, and fill the area between the tee box and the fairway to eliminate the unsightly conditions due to lack of proper drainage of storm water. Tee boxes as shown on the Master Plan are not part of this contract.

From the General Manager, Cont.

However, we accepted the alternate price to move the tee boxes on No. 12 to the north. This will begin to integrate the new fourth tee box concept and start our plan to go to rectangular tee boxes.

The flow of the construction will be one hole at a time starting with No. 1 and ending with No. 18. As with any other course during construction, the Pro Shop will establish the rule of the day for the hole that is under construction.

Thank you all for your continued support and with Spring right around the corner, we look forward to another year of great golf.

From the General Manager, Cont.

I have used contractors in the past, but Fullswing by far surpassed every expectation I had...Our outdoor living space **looks amazing. I could not be happier!**

- Haley

We can't say enough good things about Fullswing and their team...**The quality of their craftsmanship and attention to detail were top notch.** They were honest, communicative and always did right by us and our project. Several of our neighbors were doing similar projects at same time and hands down, ours was the most seamless! We absolutely love our new outdoor space and so do our friends and family!
