## *From the General Manager*

MARK REID

We continue to progress nicely on the Sand Bunker project. Obviously the frequent rains have been excellent for growing in the truckloads of sod that we have put down. The only downside is that we have lost 31 days due to weather or unworkable conditions. The crew is doing well this month as we wrap around the back nine holes. At this point it looks like no. 16 will be the last hole to complete and it hasn't been started yet. All other back nine holes are in progress or completed like 10, 17 and 18. I still expect all work to be done by early July. Some of the additional work we purchased, like the practice bunker, is done because it was in close proximity to the work on no. 18. The new clock was delayed several weeks as the manufacturer was waiting on several parts. We currently believe the clock will ship on June 16th. This will work well with the schedule for building the foundation and landscaping wall...

# WGA

We had a very well attended opening meeting and golfing day. (LOWGA) Lakewood Oaks Women's Golf Association welcomed 6 new members this season, Cindy Beebe, Taylor Dunn, Stacey Laber, Mistie Hayob, Melissa Davis, and our 2021 LeFleur gift membership (graciously donated by Mark Reid) Fawna Harrison. We are very happy to welcome back a past member Barb Finney. In spite of all the rain some of us have been able to get out to golf. Our course is looking amazing. The new bunkers are absolutely wonderful and we are so excited to show off our course at our first LOWGA guest day on June 15.

## *Turf Tip*

STEVE GRIESINGER,  
GOLF COURSE  
SUPERINTENDENT

Wow! What a month. With all the rain, construction of the bunkers came to a snail's pace. As I am sitting here writing this the next few weeks look a lot drier with more normal temperatures. So with a little more than 2 weeks to go until the Summer Classic, it would be amazing if Viridity would be able to complete the bunkers before the tournament. Also the sod for #12 Tee boxes in a perfect world would need at least 2 weeks of grow in to begin knitting into the soil before use. The window is closing fast, but we will see.

Also as the weather becomes drier and hotter, we will be hand watering the greens more. If you come up on a green with staff trying to hand water, please just give them a minute as they will try and get out of your way. Thank you for being patient as we are trying to give the golf members the best putting surface we can.

**See you on the course.**
