MARK REID

As many of our members know during the Christmas weekend, the Clubhouse suffered damages in several areas due to burst fire suppression pipes during the cold snap that spanned the holiday—and as a result we remained closed for the first week of the New Year while we assessed the condition of the various rooms and what would need to be done. Despite quite an upheaval at the end of the year, we remain optimistic. While it was a hurdle we weren't expecting to come up, we choose to see it as an opportunity for improvement as we start the new year. And we are also counting our blessings: the damages could have been much worse than they were, and we are fortunate that we have only had to move our offices down the hall and not out of the building entirely, which will allow us to continue serving residents and members as we always have. We are working diligently to plan and procure the repairs and upgrades. However, we currently estimate this will be a four to six month process.

# NOTICE

Some areas of the Lakewood Oaks Clubhouse will be off limits for the foreseeable future. We ask that our Club Members and Residents do not attempt to enter construction areas during repair, and follow the signage/pathways set up to navigate the building for the time being.

## **AREAS CLOSED OFF:**

- Men's Locker Room
- Clubhouse Lobby, and Bathrooms in Adjacent Hallway
- LPOA Office Space
- Augusta Room
- All Northwest areas of the lower levels

We will keep Members and Residents informed about rooms/areas of the Clubhouse as repairs are completed and can be used as normal, but we estimate that the repairs and improvements will take four to six months.
