From the General Manager

MARK REID

With the course being aerated, the rain showers from the last weeks of March, and warmer weather on the forecast, the beginning of the golf season is looking very good. The MGA and WGA will kick off in a few weeks and the course will soon be busy again. As a reminder for players, new and old, keeping the course looking great is in a large part, up to you. Please pick up tees, fix divots on the greens, and rake bunkers. Most of all, please, follow the daily rules for cart usage. Some of the most unsightly damage is caused by carts being where they should not be.

I also want to encourage both players and Club-goers to take advantage of the great food and drink offerings we have at St. Andrews Pub, located on the lower level of the Clubhouse. The Pub is open from 8 a.m. to sundown during the season, but may open or close at a different time, weather permitting. If in doubt, you can always call the Pub at 816-541-2453 to check. Specials change daily and the Grab & Go fridges are stocked...

Wine of the Month

LANE CABERNET SAUVIGNON

Our wine of the month is the Ballard Lane Cabernet Sauvignon, a berry-rich wine with notes of boysenberry, raspberry, cassis, and ripe cherry.

This pairs well with more casual foods—and is perfect for Burger Night, sausage and mushroom pizza, steak sandwiches or strong cheeses.

Try it during your next visit to the Argyle, where we have 1/2 price off all wines for Club members on Friday and Saturday every week!

STEVE GRIESINGER,
GOLF COURSE SUPERINTENDENT

Spring has sprung, and it's been great seeing so many of you out on the course. Our aerification process went well. The weather was a perfect 55 degrees, there was no humidity, and we had plenty of sunshine. It's what a golf course staff hopes for twice a year because it helps the topdressing sand dry quickly, which allowed us to broom it into the holes more efficiently. This will make for healthier greens for weeks to come.

In other news, our new fleet of equipment is beginning to arrive. We were scheduled to receive the equipment in June of 2022; however, as we all know, manufacturing has been super slow since COVID. The

new equipment gives us an additional tractor and a pull-behind mowing unit, which will help, increase the frequency of rough mowing. Allows us to keep the rough at a height that is more consistent for our members.

Enjoy the spring weather. We look forward to seeing you on the course.
