MARK REID

We approach the end of another successful year for the Lakewood Oaks Country Club. After a year of reconstructing the west side of the upper and lower floors, we are in the final weeks and the lobby area and new bathrooms should open up by the end of this year. We are sure that you will be impressed by the new look. The LHC Board of Directors has been very busy this month processing a large amount of information to determine what enhancements we can make to the golf course and clubhouse in 2024 and beyond. This month, the Board approved the purchase of the new EZ GO Pace Technology GPS Systems for our fleet of EZ Lithium Ion Golf Carts. This system will be a great enhancement to the game as well as provide staff the tools to help improve pace of play as well as geo fencing to assure that carts are where they are supposed to be. The GPS units will be installed this winter so that they are ready to go in all carts by May. In January, the Board will be reviewing the bids we received from the T Box replacement project...

Welcome New Golf Members

KEM JACKSON,
LOCC OFFICE MANAGER

Merry Christmas and Happy New Year! December is the time of year, as private club members, we ask you to contribute a small monetary “thank you” to the club employees. The entire staff, including those behind the scenes employees, has worked hard to provide the highest quality of services and golf course conditions to you and your family this past year. This month’s statement has a charge for \$50 that will be distributed, in the form of a bonus, to the entire staff at Lakewood Oaks. The fee is optional and you can increase, lower or eliminate the amount by noting your preference on the remittance slip with your monthly payment or by emailing kem@logc.org. On behalf of the staff at Lakewood Oaks I thank you and may the Holiday Season and New Year bring you and your family much joy and prosperity!

Lakewood Oaks now has an APP! It is available for download on the Apple and Play stores. Search for Lakewood Oaks Golf Club and download. Your current member login and password will be used to login. New members will need to be registered first on a computer before using the mobile app.

If you have a question about a charge on your account, you can view the ticket online under your statement by clicking on the ticket number. The ticket will pop up with the detailed items.

Welcome New Golf Members, Cont.

If you have any questions about your account, would like to sign up for automatic ACH payments on the 20th or would like your statement emailed instead of a paper copy, please email me. Statements are emailed around the first day of the month. If you have not seen the email by the 5th, please check your spam folder and add kem@logc.org as a safe sender.

USGA

GHIN[®] HANDICAP CORNER

REVISIONS COMING TO WORLD HANDICAP SYSTEM™ IN 2024

The USGA and The R&A today announced the first update to the World Handicap System™ (WHS™) as part of an ongoing review of the Rules of Handicapping™ and Course Rating System™ with a continued emphasis on accuracy, consistency and equity. The latest revisions will go into effect beginning January 1, 2024. Please read about the upcoming changes in this month's article!

2024 WORLD HANDICAP SYSTEM™

3 KEY CHANGES

COURSE RATING & SHORTER COURSES

Courses as short as 750 yards for 9 holes and 1,500 yards for 18 holes are eligible for a Course Rating™ and Slope Rating™ - enhancing the portability of a Handicap Index* to make the system more accommodating for all players.

10-17-HOLE SCORES

Use of expected Score Differential™ applies when 10-17 holes are played, introducing more flexibility to score posting. In this scenario, you're asked to post your score hole-by-hole.

9-HOLE SCORES

No more waiting on 9-hole scores to combine, as they will count toward your Handicap Index the very next day. A premium is placed on the holes you played and combined with an expected Score Differential for consistency and fairness.
