Dear Members of the Board of Directors;

Pursuant to the Board Motion stating **“Secretary Healy moved that beginning with the next election, Election Committee members may not advocate for or promote any candidate and doing so will result in expulsion from the committee”**. **Treasurer Orr second. Carried.** We herein state our compliance with the Board Motion and agree that we will conduct the business of the Election Committee in a fair, unbiased and impartial fashion. I acknowledge that the committee’s mission is to recruit association member candidates throughout our community so there will always be a selection of representative candidates for the association to vote for. We fully acknowledge that each of us have a vote to cast as well. However, we will not share our opinions or promote any single candidate or group of candidates. I acknowledge that violating this trust will require immediate removal from the committee.
