# **I hope everyone gets a chance to visit the Clubhouse and see the new look of the Lobby.**

We love the initial compliments we have received and it is sure to impress your guests. We have now completed all work related to the renovation. Our next step is to discontinue the two (2) small bathrooms in the east hallway just outside the Argyle. This will allow us to expand the kitchen and provide better food prep and delivery from the front of the kitchen. We are also starting to plan the “Phase 3” that will modernize the Argyle, main hallway, and banquet space. We will keep you posted as this project evolves.

With 2023 year end financials received, we will now be planning what to do with our retained earnings. The Board of Directors will review and assign these funds to a project, or reserve funding or debt reduction as they deem fiscally prudent. As you know, we have obtained a price for a multi-year project that will replace the existing T Boxes. We are continuing to...

# Model Local Rule A-5

Lakewood Oaks Country Club will be adopting a new Model Local Rule A-5 for Out of Bounds in 2024! This will be in place for all casual and competitive rounds.

## Model Local Rule A-5

A ball coming to rest on or beyond the road (#1 to #7, #4 to #5, #6 to #7, #7 to #6, #10 to #11, #12 to #16, #13 to #15 or #14, and any other time your ball crosses a street and ends up on another hole divided by that street) is out of bounds, even if it comes to rest on another part of the course that is in bounds for other holes.

---

# Model Local Rule A-5, Cont.

---

## Why adopt Local Rule A-5?

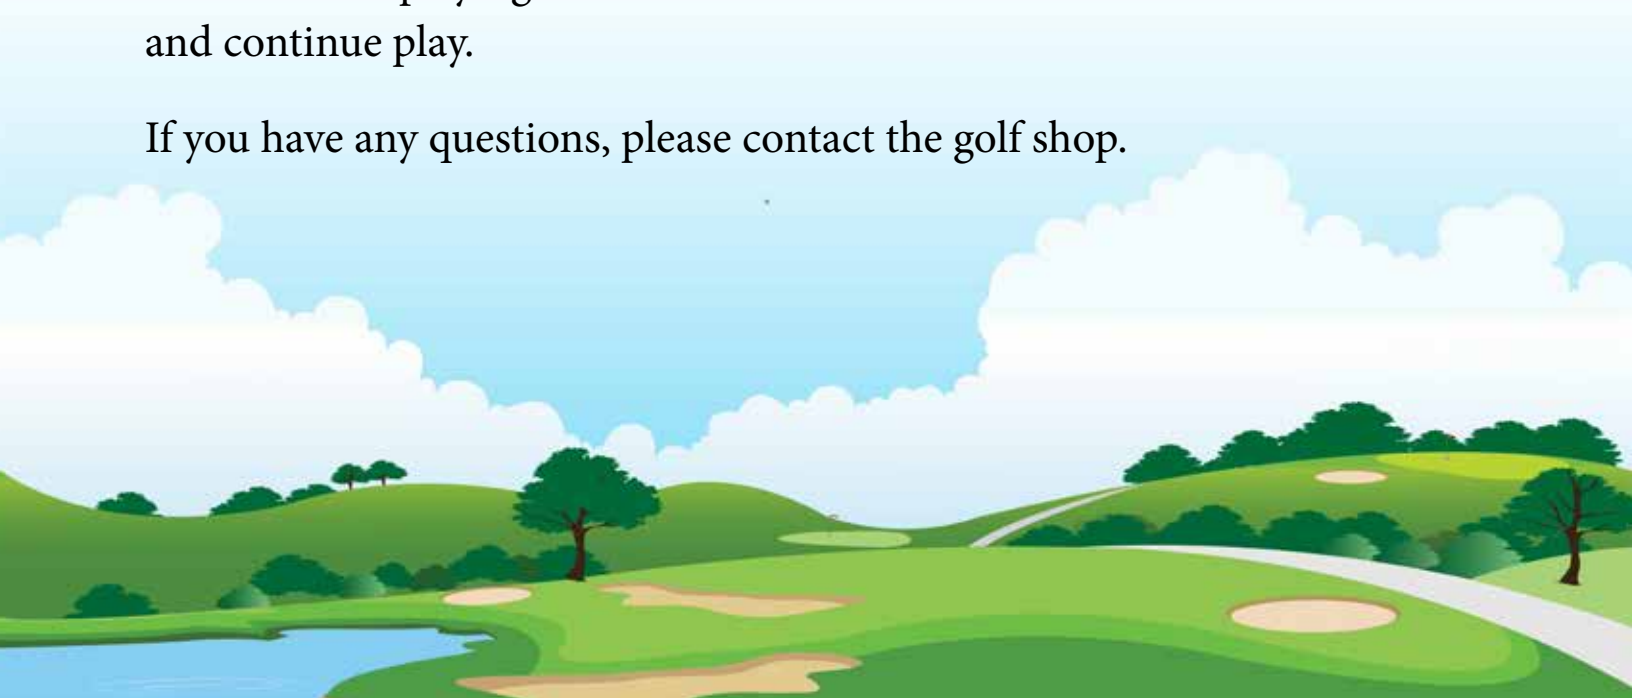

**Purpose.** When a public road runs through a course, it is usually defined as out of bounds. This can make it possible for a ball played from one side of the road to come to rest in bounds on the other side of the road, even though that ball would be out of bounds if it came to rest on the road itself.

If the Committee believes that it is unfair or dangerous to treat those situations differently, it may adopt a Local Rule stating that a ball played from one side of the road that comes to rest on the other side of that road is out of bounds.

## Simplification

In order to be fair and safe: if you are playing a hole and your ball crosses a street and comes to rest on another hole, it will be deemed out of bounds while playing at LOCC. You will take stroke and distance relief and continue play.

If you have any questions, please contact the golf shop.

# Is 2024 the year you'll take advantage of affordable locker prices?

If you do not currently have a locker in our newly-renovated locker room, we still have lots of availability ahead of golf season.

Small lockers: \$15 per month | Large lockers: \$20 per month

## **What you need to do to set up your locker:**

If you haven't chosen your specific locker, or if you have, but haven't set up your combination, your first step is to make a stop at the Golf Shop. Brian, James, and Will are more than happy to help you pick out your perfect spot in the locker room. There, we will also set up your

---

locker combination to your unique, four-digit passcode that you can use to open your locker at any time.

Additionally, you have the option of enabling mobile access to your locker through your phone. To do that, you will need to download the OCS Smart app through the App Store.

**This is the app you will use to access your locker.**

Let either Brian, James, or Will know that you also want to pair your locker combination with your mobile app. From there, a member of the golf shop staff will just need your locker number, as well as your passcode. They will then generate a QR code to scan with your smartphone, which will enable you to pair your phone to the locker.

Once that's complete, you should be able to lock and unlock your locker by pressing the 'lock' icon on the app's home screen. We should note, the app has a limited range of how far away you can be from your locker to be able to remotely open it.

---

**If you have any questions, please stop by the golf shop or give us a call at 816-373-6886. We can't wait to help get you ready for another great year on the golf course!**

# Argyle Inspiration

This recipe uses that winning combination of flavors with cauliflower in place of chicken to create a vegetarian game-day snack that's a cinch to make. Tossed in a mixture of hot sauce, melted butter, and a touch of honey, the cauliflower delivers all the beloved flavors and textures of classic buffalo wings.
