## *From the General Manager*

MARK REID

---

We have exciting developments for Lakewood Oaks Country Club projects for the start of August! The long-awaited deck project has gone through demo, and we have started prepping the area for additional structural support for the (average of) 27 ft. extension planned for the outdoor space. This will feature five (5) standard height tables with four (4) chairs and an umbrella along the outward section of the deck as well as four (4) bar height tables with four (4) chairs for a total seating capacity of 36 patrons for light dining or enjoying a drink after your round. The furniture will be Club commercial grade by Tropitone Furniture Company, Inc.

The deck construction will take 5 to 6 more weeks to complete and the furniture will arrive several weeks after that. We are still planning what outdoor lighting and some space heating will look like and cost.

The new deck area will be non-smoking. While the deck is being constructed, I am working on a dedicated smoking area design and location. We know how enjoyable a cigar is after a round. I will keep you posted as we plan this area.

Thank you all for your wonderful cooperation of using the front driveway while the construction is in progress. We appreciate you.

## CLASSIC RATATOUILLE

Ratatouille is a classic French dish that combines summer vegetables—usually eggplant, tomatoes, zucchini, bell pepper, onion, and garlic cloves. Ratatouille recipes vary when it comes to the cooking method, though. This fairly traditional ratatouille variation keeps things simple, with whole veggies stewed in a skillet on the stovetop in extra virgin olive oil until they are tender and their flavors have blended together beautifully.

# Scheduled Aerification

Aerification of the greens is scheduled for September 10 and 11. With perfect weather and no mechanical breakdowns, we will coordinate with the Pro Shop to provide the exact time we will open. Thank you for allowing us to close to perform this necessary procedure. Check out an article from the USGA (United States Golf Association) below. Pretty interesting.
