From the General Manager

MARK REID

We are so pleased that the Le Fleur Tournament was blessed by such great weather and that this WGA Event was so much fun for all. Congratulations and our thanks to Paula Austin and Sheri Rehmer for working so hard to put together this rockin event. Thank you as well to all the wonderful sponsors who contributed to make this event such a success.

In my September article for the LPOA Ripples magazine, I touched on my pending retirement. So here as well I want to inform you that we are about to begin a search for the next person or persons who will hopefully lead the teams at the Lakewood Property Owner's Association and Lakewood Oaks Country Club for the next decade and beyond. My goal has always been to retire in my late 60's so next year it will be time. It is important to me, the Board, and all of the LPOA and LOCC that the search yield some great candidates and upon selecting and hiring the new GM Select we adequately introduce, train and support the new GM Select to guarantee their success. This will be done over the last three quarters of next year and my last day will be December 31, 2025 at which time I will begin to try to improve my rather...

Marck de Lautour

Two things that every golfer should know before playing a round; where is the first tee and what is the course record? Well the answer to the second question isn't always that easy. Most clubs have a competitive course record as well as an unofficial course record. At Lakewood we have two players that share the unofficial course record (round was played under USGA rules, but not in a competition). PGA Tour member Robert Streb broke the old course record that stood for 20 plus years three seasons ago shooting 61. Current member and MGA Club Champion Marck de Lautour matched that round shooting a 61 in

July. Marck's round contained 11 birdies and one bogey. That lone bogey on Hole #17 was the only 5 on his scorecard. One month later Marck shot 65 during the Club Championship and while we do not have history on the competitive course record, he might also hold that record. Hopefully, some members join Marck in the quest for 59 out here at Lakewood!

Drink Special

BLACK CABRA MALBEC

This Malbec, like the Black Cabra, comes from the Argentine Andes. Black Cabra's estate Malbec is a lush wine with flavors of plum, dark berries, white pepper and rich chocolate. A great wine for any occasion, and 100% sustainably farmed!

Try it throughout the month of September at the Argyle with our house Cheesburger, the Steak Al Pastor, or Ribeye for a delicious pairing.

Turf Tip

STEVE GRIESINGER,
GOLF COURSE SUPERINTENDENT

Course Update

Rough and green bank renovations will be beginning at the end of the month continuing through October with aerification, seeding, and fertilization. With the seed, plugs and thatch laying around the greens it makes it a problem, not only for golfers, but also for machines mowing the greens and green banks so please be patient as we work through this process. Also may be additional irrigation to areas to maintain moisture on the young seedlings to help with germination, so carts may be controlled away from these areas with the GPS geo fencing.

Leaves will also be the hot topic in the next couple of months. We will our best to blow, mulch, and control the leaves as they begin to fall. This process is labor intensive as wind direction and conditions change dictating where we can and cannot move the leaves, too (not into homeowners' yards).

See you on the course!
