From the General Manager

MARK REID

With the addition of the beautiful new outdoor deck area, this year just keeps on getting better. The weather, the tournaments, the golf play has just been superb this year. We have named the new deck, “The Oaks Terrace”. As many of you have already seen, the view from “The Terrace” is fantastic.

The Terrace is for those who want to have a evening with friends or family while purchasing food and beverage from the Argyle. We also encourage our daytime Golf members and LPOA members to purchase food and beverage from the Saint Andrews Pub and spend some time relaxing outdoors on the Terrace.

We only reserve tables in the Argyle and not in the Pub or on the Terrace. Table space is first come first serve. We are not reserving the Terrace for private functions or banquet events. While the Terrace is open with service from 4:00 pm to 9:00 pm, Wednesday thru Saturday, seasonally while weather permits, it is also considered open, during the day for those who visit the Pub. We want to remind everyone that, per club rules and designation by the General Manager, no outside food or beverage may be brought onto the Terrace...

Having a wonderful new outdoor dining option on the Terrace, there's ample opportunity to enjoy your after-play drinks and food with friends this fall.

With any change, there will always be few minor glitches that need to be worked out. Golf cart traffic on the East side of the clubhouse is one of those issues. As you can see, two golf carts can pass each other underneath the deck (*however there is very little room so keep your arms and legs in the cart*).

Golf Like a Pro, Cont.

We have noticed in the very short time that the cart path has been open, that if golf carts park underneath the deck two scenarios play out:

- You park so close to the curb that you have to walk through the unstable rocks

- You park so that you get out of your cart and not have to step in the landscaping bed, which blocks traffic on the path and other carts cannot pass.

Obviously, neither of those are viable options for the long term. Over the next month or so, we are going to try to make that area a **“No Parking Zone”** That should give us enough time to see if not allowing parking from the beginning of the deck to past the Pub door will allow cart traffic to flow smoothly through the area and also allow easy access to the building. Thank you for your assistance in not parking in that zone, because no one wants to come back outside for their cart only to find that it’s been ‘towed away’ and their clubs ‘impounded’ (moved further back or further down from the golf ‘breezeway’ now established under the deck.)

We have some different options for our members to save 20% on their monthly dues with our Challenger and Champion programs. The Challenger program is available to members coming off a new member promotion and with a \$1000 initiation fee will get 20% off regular dues only for 3 years. The Champion program is available for members paying full current rate dues and with a \$2500 initiation fee will get 20% off regular dues only for 10 years. These options are not available to anyone on the Snow Bird dues plan or New Member Promotional Pricing.

If you haven't already, download the Lakewood Oaks app which can be found in the Apple and Play stores. Search for Lakewood Oaks Golf Club and download. Your current member login and password will be used to login. New members will need to be registered first on a computer before using the mobile app. It's a great way to make tee times and sign up for golf events.

Welcome New Golf Members, Cont.

Important documents can be found on the Members Only Section of our website under Member Central>Forms. We have Club Rules & Regulations, 2024 Rates, Membership Promotion information, ACH Form and Restaurant Menus.

For family memberships, if your spouse would like their own login to make tee times, please email me at kem@logc.org with their email and cell phone number and I will get them set up.

If you have any questions about your account, would like to sign up for automatic ACH payments on the 20th or would like your statement emailed instead of a paper copy, please email me. Statements are emailed around the first day of the month. If you have not seen the email by the 5th, please check your spam folder and add kem@logc.org as a safe sender.

TURNING OVER A NEW LEAF: COMMON FALL OCCURRENCES ON THE COURSE

Every golfer has experienced the scenario as summer turns to fall: your drive misses the fairway by just a few yards – and ends up hidden in plain sight in a pile of leaves. Or that comfortable late afternoon nine-hole round suddenly turns into a sprint to the finish because of dwindling daylight.

STEVE GRIESINGER,
GOLF COURSE SUPERINTENDENT

Understanding Frost Delays

Presented by the Golf Course Superintendents Association of America

As summer starts to give way to fall temperatures, the desire to hit the golf course intensifies. It also signals a change in golf course management activities that can affect one's game and the conditions found on the course.

In many regions of the country, golfers occasionally face frost delays in the fall, thus pushing back starting tee times. When frost is present, golf course superintendents delay play until the frost has melted. This is done to prevent damage that affects the quality of the playing surface and could potentially be very expensive to repair.

Frost is basically frozen dew that has crystallized on the grass, making it hard and brittle. A grass blade is actually 90 percent water; therefore, it also freezes. Because of the short mowing...
