From the General Manager

MARK REID

February around the clubhouse and golf course is a time of preparation for staff. The Argyle and Pub have reopened after the brief winter maintenance period, and are geared up to serve residents and club members alike for another wonderful year of food and beverage service.

St. Andrew's Pub in particular is looking polished and refreshed following the repainting, reupholstering of existing bar-height chairs, and addition of 38 new chairs. Kudos to the Clubhouse Committee for all of their ideas and recommendations that were incorporated into the St. Andrews Pub refresh. Staff is working on trying to obtain funding to finish the refresh with (10) new 36" square tables made from walnut as well as (2) new 48" round tables. New artwork and wall lighting per staff and committee recommendations are being procured currently.

Progress continues on the space reallocated to the Argyle kitchen...

Out of Bounds in 2025!

Hopefully, you do not have to use this information during your upcoming round, but many members have asked for and needed clarification on two points about O.B. at Lakewood.

- 1) Golf course (interior) edge of any sidewalk is the boundary line for Out of Bounds. Think about it this way, if someone is walking on the sidewalk, are they on the golf course? No they are not. Hence, if your ball ends up on the sidewalk, your ball is out of bounds.
- 2) Lakewood Oaks Country Club has adopted Model Local Rule A-5 for Out of Bounds This is in place for all casual and competitive rounds.

Model Local Rule A-5

A ball coming to rest on or beyond the road (#1 to #7, #4 to #5, #6 to #7, #7 to #6, #10 to #11, #12 to #16, #13 to #15 or #14, and any other time your ball crosses a street and ends up on another hole divided by that street) is out of bounds, even if it comes to rest on another part of the course that is in bounds for other holes.

Golf Like a Pro, Cont.

Why adopt Local Rule A-5?

Purpose. When a public road runs through a course, it is usually defined as out of bounds. This can make it possible for a ball played from one side of the road to come to rest in bounds on the other side of the road, even though that ball would be out of bounds if it came to rest on the road itself.

If the Committee believes that it is unfair or dangerous to treat those situations differently, it may adopt a Local Rule stating that a ball played from one side of the road that comes to rest on the other side of that road is out of bounds.

Simplification

In order to be fair and safe: if you are playing a hole and your ball crosses a street and comes to rest on another hole, it will be deemed out of bounds while playing at LOCC. You will take stroke and distance relief and continue play.

If you have any O.B. or rules questions, please contact the golf shop.
