From the General Manager

MARK REID

The newly formed Golf Social Committee held the first of many Fairway Fridays down at St. Andrew's Pub. Attendance was great and a good time was had by all. We are grateful for the initiative taken by the committee and will keep the feedback from membership in mind for the future social hours.

The Oaks Terrace will be reopening with service for the season in April. In the meantime, please enjoy the deck on good weather days and obtain your food and beverages from the Pub or Argyle.

The purchase of 12 new walnut tabletops have been sourced and we expect delivery by the end of March. This will tie together the changes already made to St. Andrew's Pub and create a much-needed improvement to the overall drinking and dining experience.

Renovation/reincorporation of the space that previously held two bathrooms in the west hallway of the Clubhouse is still in progress...

SAVORY DUTCH BABY FOR TWO

A circular photograph of a savory Dutch baby on a grey plate. The Dutch baby is a golden-brown, puffed-up pancake-like dish. It is topped with fresh arugula, sliced salmon, and a lemon wedge. The plate is set against a white background.

A deceptively easy dish, parmesan and thyme make this Dutch Baby savory, which makes it perfect to eat alongside eggs. But the real beauty of this recipe is that the batter can be made up to two days in advance—and kept in the fridge for a quick breakfast for two.

RECIPE

Turf Tip

STEVE GRIESINGER,
GOLF COURSE SUPERINTENDENT

Finally, the weather is starting to turn. It was a long couple of months. March and early April are always the months that we will find out how much winter turf dissociation we will have. After the snow melted, the greens seemed to be in good shape with very little disease (snow mold). Going forward we will be watching the fairways (Zoysia) closely for damage. This month we will also be firing up the Irrigation system, crossing our fingers and hoping the pumps turn on and there are only minimal leaks and broken heads from the freeze. The goal is to have all the greens sections on, pressurized and functioning before aerification of the greens.

Thank you for allowing us to close the course for greens aerification on March 31 and April 1. However, it does not make for a quality aerification if the weather is not co-operating, so I will be monitoring the weather to see if these we need to adjust the dates.

See you on the course!

Drink Special

CARBLISS VODKA COCKTAILS

Join us at the Arygle, St. Andrew's Pub, or out on the course as the golf season begins and try our newest drink offering—Black Raspberry Vodka or Margarita Carbliss Cocktails! With 0 carbs, 0 sugar, and only 100 calories, you can enjoy these premium hand crafted vodka cocktails without sacrificing flavor!
