From the GM

MARK KRTEK

The start of the new year always brings a sense of excitement and motivation for the things to come—and the LOCC has plenty for membership to look forward to.

We are currently in the process of crafting the renovation plans to the clubhouse (east hallway and kitchen facilities). These changes would come on the heels of the construction of the new deck—which, while fully serviceable in its current state, we know a reconfiguration of our available space could help us operate more efficiently and accommodate deck food service even better. We will let everyone know in a timely manner as we finalize the renovation timeline.

“Golf...is the infallible test. The man who can go into a patch of rough alone, with the knowledge that only God is watching him, and play his ball where it lies, is the man who will serve you faithfully and well.”
