The Bayview Parcel Committee holds public meetings in March, June, September and November. The committee meets other times when requests for service are made. Requests must be received no later than the first Tuesday of the month to be considered at that month's meeting. Requests received after the first Tuesday will be held until the following month.

NOTE: The Bayview Parcel Committee will forward any requests that are handled by the LPOA to the LPOA on the homeowner's behalf. The LPOA may request additional information from the homeowner and/or forward this request to the appropriate committee within the LPOA for action.
